

Criteria for Selection of Survey Enumerators

- The highest qualification achieved by the candidates has been given utmost importance in selection of the candidates. Candidates with Bachelor's Degree have been given preference in this selection process. Hence, all applicants with Bachelor's Degree have been selected.
- For applicants with Class 12 passed certificate, an aggregate of English and best three subjects has been computed. Based on this aggregate, candidates were selected to fill up the remaining vacancies.

A total of 121 candidates were selected based on the above criteria. From the remaining number of applicants, 17 candidates with the highest aggregates were designated to be on stand-by. The stand-by candidates will fill in if our selected candidates are not able to participate in the survey.
